

MTN. VIEW SCHEDULE for "Alice in Wonderland 2011"

All students have worked very hard this year and we are now preparing diligently for our Spring Recital. I know that this is a very busy time of year, so I have tried to keep the extra rehearsals down to a minimum. ***It is very important that all regular classes and extra rehearsals are attended. There is no extra charge for extra rehearsals.*** I have got this schedule out early so if there are any major problems, you can let me know immediately, and I'll see what I can do. Please keep this schedule handy so that you don't forget any dates. Please refer to this schedule instead of calling me. I don't always have a schedule available to look at and with 3 different schools, it's hard for me to have all the info in my head. **If I am not notified ahead of time that a student is to miss a rehearsal or regular class during the next 2 months, I might consider taking them out of the parts that were rehearsed on that particular day.** It's very hard for us to rehearse with missing people, but if I am notified ahead of time, I have time to prepare accordingly. Missing any important rehearsal/class for a softball game and/or practice is really not an acceptable excuse unless they are in a tournament, and I am notified ahead of time. I really appreciate all of your cooperation and hard work. Also, rehearsals at the stage are either in regular practice DANCE clothes or COSTUMES and their appropriate dance shoes and hair tied back (**please NO shorts, capris, flip flops, bare feet, etc.**). THANKS!

Teachers: If your class is rehearsing, I need you at that rehearsal!!!!

GUIDELINES FOR DRESS REHEARSAL:

Come to the stage (or studio) in costume, shoes, headpieces, hair in bun or french braids and stage make-up. *If you have more than one costume, please do not forget to bring them with you. Remember all pieces of each costume and all shoes.* Please be diligent in being properly attired for these rehearsals and **IN STAGE MAKEUP**. This consists of dark eyeliner, bright blush, and bright red lipstick. This 'stage makeup' must be very dark so that the child's facial features are visible from the audience under intense lighting. Up close, this make up will look very over-done! But during the performance, it will not. Wearing this type of make up can feel very strange to our young dancers and that is why we ask them to practice in it.

PARENTS - - It is important that you either stay with your children or make arrangements for someone to be responsible for them during rehearsal times. Younger children find it difficult to understand that it is important to stay in the auditorium, be seated and stay quiet. It helps to keep our rehearsal times as close to the schedule as possible and also keeps the children safe when an adult is watching over them.

COMMENTS:

Read your time schedule carefully so that you know when rehearsals start and end. Everyone has a different time schedule, and I can't keep up with it. Please ask some of the Batesville Ballet Staff (Jean Ann, Janice or Ginger) if you need assistance. Everyone wants to get through rehearsals as quickly as possible, and it takes time away from rehearsing your children for me to look up the information. Please keep up with your child's individual schedule. Thanks
